"The service was fantastic, the food was excellent and we received MANY compliments on the entire Wedding event including the beauty of the reception, the excellent service, the great wait staff and the great tasting food. This truly was a perfect day."

"Our Wedding turned out beautiful and not only was the food to die for, it was very nice to have the chef personally make sure everything was wonderful with us and my parents, but also to take the time to go around to every table was truly exceptional service."

"We could not be happier with the facilities and staff throughout the planning process and through the event. Everything was on time, ran smooth, and was taken care of. We would gladly highly recommend the JW Marriott at Cherry Creek to anyone for any occasion. It is reasonably priced, in a good location, has beautiful interiors, excellent food as well as great customer service."
